J-term – The J-term classes are seminars taught by both professional mentors and parents. If you are taking classes with HEdFEx during the rest of the year, you pay the “Members” tuition for J-term classes. If you are only joining us for J-term, you pay the “Non-members” tuition.

Parent-Led Classes – Each parent-led class is coordinated by a member parent, and taught by the parents whose children are in the class. If you have a child in one of these classes, you will need to sign up for teaching and/or classroom helper dates. Generally, this is a commitment of 2 – 4 class periods per semester. The coordinator organizes weekly materials and they are provided to the teaching parent the week before.

HEdFEx Yahoo Group – Once your registration forms are received, you will receive an invitation to the HEdFEx Yahoo group. In the files section, you will be able to find our Group Policies, Volunteer Schedule, Snack Schedule and more, as well as being able to keep up with other HEdFEx members.

We have an excellent group of teachers and have created an environment of support and friendship for your families. We look forward to your involvement in HEdFEx.

Sincerely,
Krista Boos and Andrea Dean
